

Statement of Efforts to Apprise Advisory Neighborhood Commission and Others

This statement is regarding the Registered Agent for the Applicant's efforts to contact the local Advisory Neighborhood Commission and adjacent property owners to discuss the application.

I, Edward M. Johnson, the Registered Agent for the Applicant, reached out to Advisory Neighborhood Commission Member 5B07 (Gail Brevard) prior to receiving a BZA case number. Now that a BZA case number has been established, the plan is to be placed on the ANC meeting agenda to discuss the proposed project.

Additionally, I will make efforts to speak with neighbors and show them drawings of the proposed and intend to continue conversations regarding any concerns they may have. If letters of support are received from adjacent neighbors or others in the community those letters will be submitted to the file.

As the Registered Agent, I will submit an updated statement of my efforts to contact these groups and the results of these efforts at least fourteen (14) days before the scheduled public hearing.
